Back issue. The Denman Firestarter did not exist on 2022-02-15. This edition was compiled on 2026-09-06 from the public record as it stood on 2022-02-15, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman and plan trustees endorse spring farming meeting questionnaire

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Local Trust Committee generally endorses a farming-regulation community questionnaire, subject to changes discussed at its February 15 meeting, and directs staff to prepare a spring community information meeting.¹

The questionnaire is to be mailed out, with an online version also planned. Trustees discuss establishing a drop-off location for paper responses.¹

The committee approves releasing up to \$2,000 from the

Farming Regulation Review Project budget for advertising and direct mail to Denman Island residents and property owners.¹

The questionnaire addresses definitions, secondary dwellings in the Agricultural Land Reserve, tourism accommodation in the Agricultural Land Reserve and temporary use permits. Trustees request changes including replacing “Denman Island Farm Bylaw” with “Denman Island Land Use Bylaw and Farming Regulations,” adding an explanation of the implications of not defining horticulture, and correcting information about

bed-and-breakfast accommodation.¹

The committee also directs staff to work with the consultant to schedule and advertise a special meeting for a community information meeting in the spring.¹
