Back issue. The Denman Firestarter did not exist on 2015-01-20. This edition was compiled on 2026-09-06 from the public record as it stood on 2015-01-20, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman trustees to move second priority visitor accommodation

The Local Trust Committee places the review ahead of a proposed memorandum of understanding with K'omoks

First Nation and asks staff to work on the Housekeeping Project as time permits.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Local Trust Committee moves its review of visitor-accommodation regulations to priority No. 2 and places development of a memorandum of understanding with K'omoks First Nation at No. 3. Staff will create a document based on the strategic-planning discussion.¹ Trustees say the guest-accommodation review has a

related bylaw-enforcement moratorium in place for a significant length of time. They also say scoping the memorandum of understanding would provide a first step on that priority.¹

The committee asks staff to work on the Housekeeping Project as their time permits. Trustee Busheikin says she will forward pertinent information to staff to assist with a report on the First Nations priority.¹

The committee also confirms its budget and schedules its next regular meeting for March 3, 2015, at 10:30 am at the Denman Seniors Centre.¹
