

THE DENMAN FIRESTARTER

Back issue. The Denman Firestarter did not exist on 2017-10-19. This edition was compiled on 2026-10-01 from the public record as it stood on 2017-10-19, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Affordable-housing group asks Trust to prioritize applications

A Denman Community Land Trust Association representative asked the Local Trust Committee to consider an “affordable housing first” policy and parallel processing.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

A representative of the Denman Community Land Trust Association asked the Denman Island Local Trust Committee on October 3 to consider an “affordable housing first” policy for applications and to ask staff to process multiple functions in parallel. The minutes say she cited time lags and delays and said low-income seniors needed affordable housing.¹

Trustees and staff discussed the request. The minutes record that a report on prioritizing affordable-housing rezoning applications was already on the follow-up list, and that a standing resolution might be considered at the next committee meeting.¹

The committee also discussed adding an item to its follow-up list and asking staff to check whether Trust Council’s Local Planning Committee was considering the issue for trust-wide consideration. The minutes do not record a decision adopting the requested policy.¹
