Back issue. The Denman Firestarter did not exist on 2017-12-07. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman housing project advances through Trust review

The Local Trust Committee requested further groundwater and wastewater information for a proposed seniors affordable housing project.

unnecessarily delay its volunteer-driven project, according to the meeting minutes.¹

The committee also asked staff to contact the Vancouver Island Health Authority about concerns with wastewater-treatment recommendations and to compile information needed to prepare draft rezoning bylaws.¹

The minutes record those requests; they do not record a rezoning decision.¹
