No. 164

Back issue, The Denman Firestarter did not exist on 2018-07-26. This edition was compiled on 2026-10-01 from the public record as it stood on 2018-07-26, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Letters dispute Denman farm-plan proposals

Two speakers at a June Local Trust Committee meeting raised concerns about proposed farm-plan policies, including agriculture on small lots and cannabis regulation.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

At a June 26 Local Trust Committee meeting, Doug Wright, speaking for the Growers and Producers of Denman and Hornby Islands, said the group did not support removing agriculture and horticulture as permitted uses on R1 and R2 properties.¹ A member of the public also opposed eliminating agriculture as a permitted use on small lots and opposed considering cannabis issues in the farm-plan project, while supporting more community consultation on potential cannabis regulations.¹ The committee minutes record the speakers’ positions; they do not record a decision on those farm-plan proposals at that meeting.¹
