

THE DENMAN FIRESTARTER

First for news. Second for kindling.

Denman Island, British Columbia

May 23, 2019

No. 211

Back issue. The Denman Firestarter did not exist on 2019-05-23. This edition was compiled on 2026-10-01 from the public record as it stood on 2019-05-23, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

THE ISLAND

Denman school students finish nature education program

A program at Central Park brought Community School students outdoors from March to May to study ecology and make nature-based art.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Community School students from kindergarten to Grade 7 took part in field trips to Central Park from March to May as part of a Youth Nature Education Program, organizers wrote. ¹

Students in grades 3 to 7 used field guides to identify and research plants, invertebrates and birds, while younger students took part in a nature scavenger hunt and made art. ¹

The program was a collaboration between Denman Conservancy Association, the Community School and DICES, organizers wrote. They invited the public to a showcase at the Community School on May 29, scheduled for 1 to 2 p.m. ¹
