No. 236

Back issue. The Denman Firestarter did not exist on 2019-12-05. This edition was compiled on 2026-10-01 from the public record as it stood on 2019-12-05, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Trust committee advances Denman Green bylaws for referral

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Local Trust Committee gave first readings to proposed amendments to the Official Community Plan and Land Use Bylaw for the Denman Housing Association application at its November 7 meeting.¹ The minutes say the association had provided new information about a backup water supply for Denman Green. The planned rainwater system’s backup had been intended to use a Comox Valley Regional District bulk-water delivery system on Denman, but that option was uncertain; off-island bulk water had also been investigated.¹ The committee voted to refer the proposed bylaws to First Nations, local governments and agencies for comment. The minutes record the first readings and referral, not a final decision on the application.¹
