

The Denman Firestarter

Back issue, The Denman Firestarter did not exist on 2019-12-19. This edition was compiled on 2026-10-01 from the public record as it stood on 2019-12-19, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Trustees request early review of water issue in housing application

The Denman Local Trust Committee asked for an early referral to its freshwater specialist on a community land trust rezoning application.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Local Trust Committee requested an early referral to the Islands Trust Freshwater Specialist concerning the Denman Community Land Trust Association’s rezoning application, according to the committee’s November minutes.¹

The minutes say staff had met with the association to discuss issues and ways forward, and would propose minor amendments to draft bylaws. They also record that comments from the freshwater specialist about terms of reference for the water licence were considered important to moving the application forward.¹

The committee also recorded that the Denman Housing Association’s proposed backup water supply for Denman Green had become uncertain; off-island bulk water supply had been investigated as a more economical option.¹
