

# THE DENMAN FIRESTARTER

Back issue, The Denman Firestarter did not exist on 2020-03-12. This edition was compiled on 2026-10-01 from the public record as it stood on 2020-03-12, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

### Letters debate Denman affordable-housing proposals

*Public comments recorded in Local Trust Committee minutes show differing views on two affordable-housing projects and proposed zoning.*

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Residents expressed differing views on the Denman Community Land Trust Association’s Seniors Affordable Housing project and the Denman Housing Association’s Denman Green proposal at a January Local Trust Committee meeting.<sup>1</sup>

For the seniors project, public comments included support for site-specific zoning and requests that the committee accept three-metre setbacks and a conditional water licence as proof of adequate water; others urged that the project not be delayed.<sup>1</sup>

Comments on Denman Green raised concerns about its water supply, consultation, affordability and fire risk. The minutes also record a response from trustees that regulations require a trustee to recuse from a declared conflict-of-interest situation, and that referral to the Advisory Planning Commission would add community input.<sup>1</sup>

The minutes record these comments as public views, not findings about the projects.<sup>1</sup>
