Back issue. The Denman Firestarter did not exist on 2020-09-10. This edition was compiled on 2026-10-01 from the public record as it stood on 2020-09-10, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

The society says it will look at renting indoor spaces as the weather gets cold. Food Bank service and computer access will

continue in the portable beside the Community School, according to its notice.¹

DICES also says it will not publish a course brochure at this time, and will share information about courses and workshops through local newspapers and its newsletter.¹

The society reports that its summer programs filled up and took place outdoors under a COVID-19 protocol approved by the Comox Valley School District.¹
