

THE DENMAN FIRESTARTER

Back issue. The Denman Firestarter did not exist on 2020-11-05. This edition was compiled on 2026-10-01 from the public record as it stood on 2020-11-05, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman Green application awaits water information

The Local Trust Committee discussed the affordable-housing rezoning application and said it could consider a special meeting after reviewing Island Health’s water-source approval.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Local Trust Committee discussed the Denman Green affordable-housing application at its November 3 meeting, after the applicant asked trustees to advance the rezoning process and schedule community consultation before the next regular meeting.¹

Simon Palmer told the committee that meetings had been held with Island Health staff and written support had been received for the proposed water source. He said the Denman Housing Association was working to address Island Health’s requirements for water sufficiency.¹

Trustees said they were willing to hold a special meeting if appropriate after the Island Health water-source approval was submitted for their review.¹

The committee’s minutes record that the application’s amended proposed bylaws were presented for consideration of first reading; the excerpt provided does not record the outcome of that consideration.¹

Island groups schedule holly-removal work bees at Central Park

Denman Conservancy invited residents to join three English holly removal work bees at Central Park on November 8, 9 and 10.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Denman Conservancy scheduled three English holly removal work bees at Central Park, with sessions on Sunday, November 8, Monday, November 9, and Tuesday, November 10.¹

The notice said participants would meet across the street from the old school and recycling site. It invited people to bring tools if they could and said tools would be available to borrow.¹

The work bees were scheduled rain or shine, and the notice said local baked goods would be provided.¹
