

THE DENMAN FIRESTARTER

Back issue, The Denman Firestarter did not exist on 2021-01-07. This edition was compiled on 2026-10-01 from the public record as it stood on 2021-01-07, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

THE ISLAND

Denman Green water review remains a step before next meeting

The Denman Housing Association is working through Island Health’s water requirements for its proposed affordable-housing project, according to November meeting minutes.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Housing Association is working to resolve water-sufficiency issues for its proposed Denman Green affordable-housing project, after receiving information about Island Health’s requirements, the Denman Island Local Trust Committee minutes say.¹

At the November 3 meeting, the applicant asked the committee to advance the rezoning application and schedule community consultation before its next meeting, citing financing deadlines.¹

Trustees said they were willing to hold a special meeting if appropriate after receiving Island Health’s approval of the water source for review.¹

The minutes record that the committee had not yet received that approval; they do not record a decision to schedule the requested consultation.¹
