Denman Housing Association asks Trust to advance rezoning application

The association asked the Denman Local Trust Committee to move its affordable-housing application forward as quickly as possible.

THE DENMAN FIRESTARTER

The Denman Housing Association asked the Local Trust Committee to advance its rezoning application, including through third reading and ministry review, conditional on receiving a water licence. ¹

At the committee’s May 4 meeting, staff said a report on preliminary items was expected at the next meeting. A trustee said

early review of information about water quality and quantity could help inform whether to give readings before a water licence was received. ¹

Simon Palmer told the committee that water and wastewater reports were being finalized and indicated the property could meet

the project’s needs without conflict. ¹

The application concerns a proposed affordable-housing project. At a March meeting, Palmer said plans were to accommodate 20 units, and that a rezoning application had been submitted. ²
