Housing association asks committee to advance rezoning

The Denman Housing Association asked the Local Trust Committee to move its affordable-housing application forward as quickly as possible.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Housing Association asked the Denman Island Local Trust Committee to advance its rezoning application through third reading and ministry review, conditional on receiving a water licence, the May 4 meeting minutes say.¹

Staff said a report on preliminary items was expected at the next committee meeting and suggested trustees could consider next steps then.¹

A trustee said early review of information about available water quality and quantity would help inform whether to give readings before a water licence was received. Simon Palmer, speaking for the association, said water and wastewater reports were being finalized and indicated the property could sustain the project’s needs without conflict; he said the reports would be sent to planning staff when complete.¹
