Back issue. The Denman Firestarter did not exist on 2021-11-18. This edition was compiled on 2026-10-01 from the public record as it stood on 2021-11-18, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman Christmas hamper drive seeks donations and volunteers

DICES is collecting gifts, food and money for its annual Christmas hampers and is seeking volunteers to pack and deliver them.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Denman Islanders are being asked to donate to the Christmas hamper program, which DICES says receives requests for 30-40 hampers each year.¹

The hampers include groceries, fresh produce and gifts, with turkey, ham or vegan options. DICES says donations help support food security for local families and individuals.¹

Gifts can be dropped off at Denman Hardware; food donations are accepted at the Community School Portable on Wednesdays and Thursdays from 4 to 7 p.m. Cash and cheque donations can be left at the portable or the General Store, and e-transfers are also accepted.¹

DICES says volunteers will wrap presents and pack food at the Community Hall on the morning of December 23, and it is seeking drivers to deliver hampers. Requests for hampers are due by December 12.¹

Denman housing proposal remains under review after LTC meeting

The Denman Local Trust Committee gave first reading to housing bylaws but deferred second reading while it awaits consultation and outstanding information.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Local Trust Committee advanced a Denman Housing Association proposal by giving first reading to three bylaws at its November 2 special meeting, while deciding that second reading was premature.¹

The minutes say outstanding items included a water licence, confirmation of sewage disposal capacity for receiver parcels on Danes Road, a policy statement checklist and staff review of the proposed water management plan.¹

The applicant told the committee that Island Health had no further need to comment on the water plan until the system design stage, and that the wastewater system design was expected early in 2022. The applicant had asked for first and second readings at the meeting to meet a funding deadline.¹

Trustees said community input, referral responses and pending documents and analysis could inform changes, and the committee deferred second reading.¹
