

THE DENMAN FIRESTARTER

Back issue. The Denman Firestarter did not exist on 2022-06-30. This edition was compiled on 2026-10-01 from the public record as it stood on 2022-06-30, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

THE ISLAND

DICES seeks executive director and holds bottle drive

The Denman Island Community Education Society is recruiting for a permanent executive director and is collecting bottles to support its Parent and Tot program.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Community Education Society is seeking applicants for a permanent executive director position, with applications due July 14. The job is listed as 30 hours a week, with four weeks of paid vacation and pay of \$23 to \$27 an hour, depending on experience.¹

The society is organizing a bottle drive on June 30 at the Recycling Centre from 9 a.m. to 12:30 p.m. to raise funds for its Parent and Tot program, which brings children and caregivers together on Friday mornings during the school year.¹

The society also thanked volunteers who helped run its after-school programs in the spring and invited people interested in fall programs to get in touch.¹

THE ISLAND

Denman Green proposal discussed at community information meeting

About 35 people attended a May 30 meeting on proposed bylaws for the Denman Housing Association’s affordable housing project.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

About 35 members of the public attended a May 30 community information meeting at Denman Community Hall on proposed bylaw changes for the Denman Housing Association’s Denman Green project.¹

The meeting reviewed proposed changes to the Official Community Plan and Land Use Bylaw, along with a proposed housing agreement. The agreement described in the minutes would require 20 units to be rented to qualified occupants at an affordable rate and require annual reporting to the Islands Trust.¹

Questions at the meeting included water use, the proposed well and effects on adjacent water users. The minutes say the water licence application was with the Province, which would review impacts on adjacent water users; they also record that a professional hydrogeologist engaged by the association had reviewed the well’s impact on pressure or yield on adjacent properties and expressed no concern.¹

The May 31 Local Trust Committee minutes record that the committee received a petition signed by hundreds of Denman residents and non-resident property owners asking for changes to bylaws concerning secondary dwellings on Agricultural Land Reserve lands. The petition asked that those dwellings not be used for vacation or other short-term rentals.²
