THE DENMAN FIRESTARTER

Denman’s Local Trust Committee asked staff to prepare revised draft bylaws for consideration at a later meeting, following a review of proposed farm regulations on July 27.¹ The requested changes included limiting agri-tourism accommodation to no more than four tents or RV sites and one

cabin per property, with setbacks for those uses.¹

The committee also requested rules allowing seasonal egg sales on R1 and R2 lots over 1ha outside the Agricultural Land Reserve, while prohibiting roosters on those lots.¹

The meeting minutes say the consultant’s report summarized community engagement and key directions, and that staff could bring options on water and septic requirements and changes to the Siting and Use Permit procedure to a future meeting.¹

The group reported that islanders and friends had contributed \$31,000 in eight months and said it expected to reach the minimum \$32,500 needed to support one person for a year after proceeds from a quilt raffle and art sale.¹

A wildlife prints and paintings sale was scheduled for August 6 and 7 at the Arts Centre, and the first quilt raffle draw was scheduled for August 6 at the farmers’ market.¹
