

THE DENMAN FIRESTARTER

Back issue, The Denman Firestarter did not exist on 2022-11-24. This edition was compiled on 2026-10-01 from the public record as it stood on 2022-11-24, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Trustees amend draft farming rules on agricultural setbacks

October meeting minutes record a change to proposed rules for buildings and structures associated with agriculture.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Denman Island Local Trust Committee trustees amended draft farming regulations to set a 30-metre setback for agricultural buildings and structures, except fences, according to adopted minutes of special meetings held Oct. 6 and Oct. 14.¹

The minutes say staff had been asked to bring back information on setbacks from watercourses. They record that the committee amended sections 1.7 and 1.8 of proposed Bylaw No. 229 to specify the setback.¹

The minutes also record that a proposed information note about provincial setback rules for fences did not proceed because it received no seconder.¹
