No. 403

Back issue, The Denman Firestarter did not exist on 2023-06-22. This edition was compiled on 2026-10-01 from the public record as it stood on 2023-06-22, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman trustees advance farming bylaw amendments

The Local Trust Committee gave second readings to amended farming bylaws at its June 6 meeting.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Denman’s Local Trust Committee gave second readings to amended farming bylaws at its June 6 meeting, according to adopted minutes.¹

The committee amended proposed changes to the Official Community Plan and Land Use Bylaw, including a change to the

agri-tourism definition and removal of a two-year limit in a permitted-buildings provision.¹

The committee also added a future project to align the Official Community Plan’s land-use designations with Land Use Bylaw

zoning, and directed that affected property owners be notified of changes to land-use designations.¹

The minutes say staff reported that adding a zoning-map change to the current amendments was possible but would extend the project timeline by a few months.¹
