Back issue. The Denman Firestarter did not exist on 2023-08-10. This edition was compiled on 2026-10-01 from the public record as it stood on 2023-08-10, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The three-screen film GO FISH came to Denman’s United Church on Sunday, where people watched in groups of twenty-nine during four hours of showings, according to a report in The Islands Grapevine.¹

The report estimated that nearly 700 people attended between 10:30 a.m. and 2:30 p.m. and said United Church and Gathering Place volunteers helped organize the event.¹

The film, produced and directed by Nettie Wild and Scott Smith, explores the Hornby-Denman herring run. An Ocean-day “Mer” display of paintings and ceramics was arranged outside the church.¹
