Back issue. The Denman Firestarter did not exist on 2023-12-07. This edition was compiled on 2026-10-01 from the public record as it stood on 2023-12-07, and contains nothing dated after that day — no outcomes, no hindsight. It is a reconstruction of what was on the record at the time, not a document from the time.

Denman housing report moves to next steps

The Local Trust Committee received the Housing Advisory Planning Commission’s final report and asked staff to prepare an analysis and schedule a special meeting.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

Denman’s Local Trust Committee received the Housing Advisory Planning Commission’s final report and a guide to it at its November 14 meeting.¹ Trustees asked staff to print twelve or more copies for community distribution and post the report, guide and related correspondence on the Denman Island Projects web page.¹ The minutes say staff would consider options and implications, including public engagement, before a community information meeting.¹ The committee also asked staff to analyze the recommendations and schedule a special meeting by Zoom at the beginning of 2024 to discuss options and next steps.¹

Growers’ group schedules annual meeting and showcases new tools

The Denman Island Growers and Producers Alliance plans an annual meeting at the Activity Centre on December 14.

REPORT — FACTS AND CITATIONS ONLY

THE DENMAN FIRESTARTER

The Denman Island Growers and Producers Alliance scheduled its annual general meeting for December 14 at 7 p.m. in the Denman Activity Centre lounge.¹

The group said the meeting would include reports on its activities, finances and subcommittees, along with the selection of board directors; Zoom participation was available by request.¹

The alliance also announced new Tool Library equipment, including an oat roller, a gluten-free grain mill and a thermal label printer, and said it planned to show the items at the meeting.¹

The notice said members who had paid the annual membership fee could borrow tools through a decentralized hosting system.¹
